CLUB NOTES

BETTER THAN COVENTRY RESULT SUGGESTS

Today North End cordially receive Norwich City, and supporters may have noticed that, owing to the postponement of both our Christmas fixtures with Bolton Wanderers, we are meeting a "City" for the fourth match in succession—Cardiff, Bristol, Coventry, Norwich—with another to follow next week at Manchester.

The sixth City in the Second Division, Birmingham, are our opponents in the away match following our F.A. Cup third round tie at Charlton on Saturday, January 22nd. North End would not claim to have been lucky in the big draw this time, remembering our previous Cup appearances at Charlton, but it could be worse.

In the rather dim past of 1923, when Preston were in the First Division and Charlton in their second season of League football, we visited this club as 1922 Cup Finalists and suffered a shock 0-2 defeat. Charlton had already created a giant-killing sensation by knocking out Manchester City in an away match.

In the next round they polished off still another First Division team, West Bromwich Albion, but then had their ambitions extinguished on their own ground by a fourth Division I team, Bolton Wanderers, who went on to win the Cup in the first Final played at Wembley's Empire Stadium, as it was then called.

North End's next encounter with Charlton occurred when first-class football was resumed after the war with the two-legged F.A. Cup competition of 1945-46, this during an eight seasons period when Preston, or the team they played, subsequently appeared in the Cup Final. Charlton forced a 1-1 draw at Deepdale in Round 5.

CLUB NOTES—*continued*

The return match four days later resulted in North End experiencing their heaviest Cup defeat, Charlton winning 6-0. They progressed to the Final and were defeated in extra time by Derby County. The following season we met again, lost by 1-2 at the Valley in tragic circumstances, and Charlton went on to win the Cup.

However, that was a long time ago and records ought not to influence present performances by two entirely different teams. Charlton today are struggling near the bottom of Division II, and if North End set about their task in the right way we should ge at least a replay. We have a fine away record in the F.A. Cup.

A disappointing defeat at Coventry, where a 5-1 win was a decidedly flattering result for the home team on the play, gave North End a bad start to the New Year even though there was no cause for despondency. We played some good football in an entertaining game but did not come through as sharply with the ball as lively Coventry, or finish as well, and lapses in defence cost us three goals.

All Coventry's goals came from cross balls, which meant that someone took his eye off it and that others were not on their toes. In 20 minutes' second half dominance we created good chances without taking, whereas Coventry snatched a fifth.

The outcome was our second defeat in the last eight games and back to a point-a-game record, which is one better than at the same stage last season. It is a sad fact that 26 of the 40 goals against us have been scored in only six games, leaving 14 spread over the other 17 matches. It was much the same last season.

The Reserves continue to play bright, stimulating and successful football, with a 5-1 home win their latest good performance. Our Central League side have lost only one of their last 13 games. Congratulations, too, to the Youth side for an excellent 3-0 win at Blackburn in the F.A. Youth Cup.

WORLD CUP SERIES

When Belgium met Bulgaria in the Group 1 play-off of the qualifying series of the Jules Rimet Cup competition in Italy on December 29th, it was 19 months 5 days since the World's footballing nations set out on their quest for places in the last 16 in England in July.

The first game was between Netherlands and Albania on May 24th, 1964. During that period a total of 126 matches, including play-offs have taken place, preparatory to the 32 matches crowded into the 20 days' summer climax.

These figures give an indication of the magnitude of the tournament, and may well cause the various sources from which rumours of a different set up emanate to have second thoughts.

Countries which have failed to qualify would naturally appreciate the opportunity of a second chance, but how would the countries be chosen for that opportunity if, as some would like to suggest, one or other of the competing countries decided not to take part at this late stage?

Would Scotland, as it has been suggested, be an automatic choice for such a repeat Competition? If Scotland were included, then would Sweden, Northern Ireland and other countries who finished second in their respective groups also wish to take part? Or would it have to be confined to teams like Eire and Ecuador, both eliminated only after play-offs, or the losers of the forthcoming Belgium-Bulgaria match, who will be in the same category?

There are so many countries who would consider themselves to have equal right to a second chance that it might take another 19 months to determine the remaining team. The Competition does, in fact, begin less than 7 months from now. Already £515,000-worth of tickets have been sold to some 90 countries, with the competition having followed its prescribed course. It is really too late for second guesses.

OUR VISITORS—*Norwich City*

A hearty welcome is extended to Norwich City, who would have equalled their best record in 10 seasons of Second Division football if they had been able to achieve their first win at Deepdale in the final match of last season. Losing 1-3, the "Canaries" finished in the seventh position with 47 points.

Norwich are now in the sixth season of their second spell in Division II. The first was in the mid '30's, following promotion in 1933-34. As North End rose to the First Division in the same season our paths did not cross until after our relegation in 1961. Four meetings at Deepdale went in Preston's favour.

They resulted (North End score first and starting with 1961-62 season): 2-0, 2-2, 3-0 and 3-1. Just as Norwich have failed to win at Deepdale, we have yet to do likewise at Carrow-road, our visits there having resulted in three defeats and two draws, as follows—0-2, 1-1, 1-2, 2-4 and (this season) 1-1.

Norwich City were members of the original Third Division in 1920-21, afterwards going into the Southern group and gaining promotion in their 14th season as a Football League club. Preston had just gone up too, and Norwich were back in the Third Division when we next went down in May 1949, staying two seasons.

The club which proudly raised the soccer banner in Norfolk came into being in 1905, and enjoyed membership of the old Southern League, whence sprang so many of the present Football League clubs, until 1920. The record crowd for the Carrow Road ground is 43,129. Among their noted managers was Archie Macaulay.

OUR VISITORS—*Continued*

Norwich gained considerable fame in the F.A. Cup when they knocked out Sheffield Wednesday (1908), Liverpool, away (1909), Sunderland (1911), Tottenham (1915), Leeds, away (1935), Liverpool (1937) and Arsenal, away (1954), but their best feat was reaching the 1959 semi-final by knocking out Manchester United, Cardiff, Tottenham and Sheffield United, finally succumbing to Luton in a replay.

The team provisionally selected for today's match mainly comprises players judiciously recruited at no great expense apart from centre forward Ron Davies from various parts of the country, including Birmingham, Walsall, Tottenham, Bolton, Highbury, Luton, Southend, and Wrexham.

The only Norwich-born player is the substitute, Mike Sutton. He made his way to League football by way of the junior ranks, as did full back Dave Stringer, who hails from Great Yarmouth. The only Scot in the side, Tommy Bryceland, was born at Greenock and signed from St. Mirren.

There are two Welshmen, powerfully built Ron Davies, and the left winger Bill Punton, who hails from Aberfeldy. Goals credited to players in the present line-up last season totalled 35 of the 61 scored by the team—Davies 14, Heath 7, Allcock 6, Bryceland 5 and Mullett, Anderson and Punton one each.

NORWICH CITY PLAYERS

Kevin Keelan (*goalkeeper*). Born Calcutta. Previous experience with Wrexham, Aston Villa, Stockport and Kidderminster. Played in 23 League games last term.

David Stringer (*right back*). A product of the Norwich junior organisation, born Great Yarmouth. Came to the fore last season when he shaped promisingly.

Joe Mullett (*left back*). Born at Birmingham and signed from Birmingham City. Clinched his claim to this position last term with 37 League appearances.

Ken Hill (*right half*). A well-built wing half of 5ft. 10in., and 12st. 4lb. Came to Norwich from Walsall, the club of his native town.

Fred Sharpe (*centre half*). Not tall for a pivot at 5ft. 9½ but has 12st. 3lb. packed into his solid frame. Born at London and recruited from 'Spurs.

Terry Allcock (*left half*). Well remembered in these parts as a former Bolton Wanderer, who was at Burnden Park from 1952 to 1958, when he signed for Norwich. Heading for 300 League appearances and was centre forward when last here.

Terry Anderson (*outside right*). A bright young prospect who was picked up from Arsenal and belongs to Woking. In League team six times last campaign.

Donald Heath (*inside right*). Made his mark with the first team last season by putting in 31 League appearances. Born Stockton, secured from Middlesbrough.

Ron Davies (*centre forward*). A big fellow—6ft. 1in., 12st.—who needs little introduction as Norwich's Welsh international leader. Signed from Luton Town September 1963 for club's record fee of £35,000. North End were interested in him when Luton signed him from Chester for £10,000 a year earlier.

Tommy Bryceland (*inside left*). A purposeful schemer of trim build at 5ft. 6in., 11st. 5lb. Born Greenock, and came into prominence with Paisley St. Mirren.

Bill Punton (*outside left*). A Welshman who found his way to Norwich via Southend (one season) and Newcastle United. Had 21 League games last season.

Mike Sutton (*substitute*). Norwich-born and a product of the Juniors. No stranger to the League team in which he made 20 appearances last term.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.
